2. Holds a current and valid license in another state with a similar scope of practice as determined by the Commission for at least one (1) year; and
3. Has not committed any act in any jurisdiction that would have constituted grounds for refusal, suspension or revocation of a license to practice as an auctioneer in this state at the time the act was committed, the auctioneer commission in the other state holds the applicant in good standing, and the applicant does not have a disqualifying criminal record as determined by this Commission; and
4. Did not surrender a license because of negligence or intentional misconduct related to the applicant’s work in auctioneering in another state; and
5. Does not have a complaint, allegation or investigation pending before the auctioneering commission or other board or commission in another state that relates to unprofessional conduct or an alleged crime. If the applicant has a complaint, allegation or investigation pending, this Commission shall not issue or deny a license to the applicant until the complaint, allegation or investigation is resolved, or the applicant otherwise satisfies the criteria for licensure in Mississippi to the satisfaction of this Commission; and
6. Pays any fees required by the Commission for which the applicant is seeking

licensure, certification or registration in this state.

B. - D. This Commission shall issue or deny the license to the applicant within one hundred twenty days (120) days after receiving an application. If the application requires longer than two (2) weeks to process, this Commission shall issue a temporary practice permit within thirty (30) days after receiving the application if the applicant submits an affidavit, under penalties of perjury, affirming that he or she satisfies the provisions of this section and pays all applicable fees as required. The applicant may practice under the temporary permit until a license is granted, or until a notice to deny the license is issued, in accordance with rules adopted by this Commission. A temporary license will expire in three hundred sixty-five (365) days after its issuance if the applicant fails to satisfy the requirement for licensure, if applicable.

- G. The Commission shall adopt rules necessary to implement this by January 1, 2021. In addition, the Commission shall make all reasonable efforts to issue a license to an applicant for license under this section.
- H. Nothing in this section shall be construed to prohibit a military applicant, spouse or dependent from proceeding under the existing licensure requirements established by the Mississippi Commission.

I. Nothing in this chapter shall be construed to prevent Mississippi from entering into a licensing compact or reciprocity agreement with another state, foreign province or foreign country. A license issued under this section is valid only in Mississippi. It does not make the person eligible to work in another state under an interstate compact or reciprocity agreement unless otherwise provided in Mississippi law.

Rule 1.14 Fresh Start Act of 2019

A. The following words and phrases shall have the meanings as defined in this section unless the context clearly indicates otherwise:

1. "Criminal record" shall mean any type of felony or misdemeanor conviction.
2. "Licensing" shall mean any required training, education, or fee to work in a specific profession.
3. "Licensing authority" shall mean the Mississippi Auctioneer Commission (Commission).

B. No person shall be disqualified from pursuing, practicing, or engaging in any occupation for which a license is required solely or in part because of a prior conviction of a crime, unless the crime for which an applicant was convicted directly relates to the duties and responsibilities for the licensed occupation of auctioneering.

C. The Commission shall not have in any rulemaking for their qualifications for licensure vague or generic terms including, but not limited to, "moral turpitude," "any felony," and "good character."

D. The Commission shall only consider criminal records that are specific and directly related to the duties and responsibilities for the licensed occupation of auctioneering when evaluating applicants.

E. The Commission shall use the clear and convincing standard of proof in examining the factors to determine whether an applicant with a disqualifying criminal conviction will be denied a license.

F. The Commission shall make its determination based on the following factors:

1. The nature and seriousness of the crime for which the individual was convicted;
2. The passage of time since the commission of the crime;
3. The relationship of the crime to the ability, capacity, and fitness required to perform the duties and discharge the responsibilities of the occupation of auctioneering; and
4. Any evidence of rehabilitation or treatment undertaken by the individual that might mitigate against a direct relation.

G. An individual with a criminal record may petition a licensing authority at any time for a determination of whether the individual's criminal record will disqualify the individual from obtaining a license. This petition shall include details on the individual's criminal record. The licensing authority shall inform the individual of his standing within thirty (30) days of receiving

the petition from the applicant. The licensing authority may charge a fee to recoup its costs not to exceed Twenty-five Dollars (\$25.00) for each petition.

H. If the Commission denies an individual a license solely or in part because of the individual's prior conviction of a crime, the Commission shall notify the individual in writing of the following:

1. The grounds and reasons for the denial or disqualification;
2. That the individual has the right to a hearing to challenge the licensing authority's decision;
3. The earliest date the person may reapply for a license; and
4. That evidence of rehabilitation may be considered upon reapplication.

I. If an applicant's criminal history does not require a denial of a license under applicable state law, any written determination by the Commission that an applicant's criminal conviction is directly related to the duties and responsibilities for the licensed occupation must be documented in written findings for each of the preceding factors by clear and convincing evidence sufficient for a reviewing court.

J. In any administrative hearing or civil litigation authorized under this section, the licensing authority shall carry the burden of proof on the question of whether the applicant's criminal conviction directly relates to the occupation for which the license is sought.

K. The Commission has no authority to suspend or revoke the license if it has been issued to any person who is:

1. In default or delinquent in the payment of their student loans solely on the basis of such default or delinquency; or
2. In default or delinquent in the satisfaction of the requirements of their work-conditional scholarship solely on the basis of such default or delinquency.

If the Commission is unable to produce a public record by the seventh working day after the request is received, the Commission will provide the requester with a written explanation stating that the record requested will be produced and specify the reason why the records cannot be produced within the seven-day period. Unless there is mutual agreement between the Commission and the requester, the date for production of the requested record will be no later than fourteen (14) working days from the Commission's receipt of the original public record request.

When a request for information is made for documents furnished to the Commission by a third party, the Commission will give notice of the request to the third party as required by the Public Records Act. Such third party information will not be released without the prior written consent of the third party authorizing the release of the information and/or until the third party has been provided with notice of the public records request and an opportunity to seek a court order protecting such records from public review. No third party information will be released by the Commission if the third party obtains a court order prohibiting the disclosure of such information.

When possible, nonexempt material will be separated from exempt material and only the exempt material will be withheld from disclosure by the Commission.

If the Commission determines that the records requested are exempt or privileged under the law, the request shall be denied and the person making the request will be provided a statement of the specific reasons for the denial. Such denials shall be kept on file for inspection by any person for three (3) years from the date such denials are made.

All inspection, copying or mechanical reproduction of records must be done in the office of the Commission. The time, place and manner of inspection and reproduction or copying will not be allowed to interfere with the official duties of the Commission. The Commission will not allow its records to be taken from the Commission office.

The requester must pay the Commission in advance all reasonably estimated costs of searching, obtaining from storage, reviewing, shipping and/or duplicating the requested records. Such payment must be sufficient to cover the actual costs to the Commission of complying with the public records request. There shall be a charge of \$1.00 per page for each copy. Copies printed on both sides (front and back) shall be considered as two (2) pages for copy charge purposes. Mailing cost shall be calculated at the applicable rate for each such mailing. If the request involves notice being given to a third party, the cost of mailing such notice to the third party shall be charged to the requester. Cost of obtaining records from any state storage facilities and the search for the records shall be charged to the requester. If the actual cost of a public records

request exceeds the estimated cost provided to the requester, the requester will be required to pay the Commission the difference between the amounts paid in advance by the requester and the actual cost of supplying the record to the requester. Payment by the public records requester must be made by money order or certified check.
