LICENSE EXPIRATION DATE: All licenses expire March 1st of every odd numbered year. In accordance with §73-4-17(h)...License fees shall not be prorated for any portion of a year but shall be paid for the entire biennial period regardless of the date of the application. **Individuals failing to submit license renewal fees on or before March 1 of the year for renewal shall be required to successfully pass the next administration of the examination in order to renew a license. If license has been expired for 3 years or more, a new fingerprint-based criminal background check must be performed at an additional cost of \$40.**
